

FREE FALL PRESENTATIONS!

7th-12th

Disaster Preparedness and Health & Safety

Disaster Preparedness

- ❖ **Disaster Plan and Disaster Supplies Kit**
Students learn the importance of having a family disaster plan and how to develop a plan with their families. Includes review of natural disasters that occur in the St. Louis area.

Health & Safety

- ❖ **Till Help Arrives**
Students learn how to respond in an emergency situation as well as the first aid procedures for choking, sudden illness, bleeding, burns, broken bones, strains, and sprains. *CA-5; CA-6; HP-5; HP-7

(Each program is approximately 30 to 45 minutes)

*Programs meet Missouri education standards
