statistics

410,942 times the Red Cross St. Louis Area Chapter touched our community last year.

32 traces were initiated to reconnect families separated by war or armed conflict.

151 teens were trained in emergency preparation and leadership development through YouthCorps. In turn, these youth educated **3,806** of their peers.

615 schools, churches, and community centers were designated as Red Cross shelters during times of disaster.

1,129 families lost their homes to fires and received food, clothing, and other disaster relief.

1,392 subscribers gained peace of mind with the Lifeline emergency notification system.

1,624 volunteers served the community.

1,734 blood drives were staffed by Red Cross volunteers.

2,440 families were assisted with food, clothing and shelter in the wake of Hurricane Katrina.

3,709 people were educated in the International Services of the Red Cross movement worldwide.

6,306 military personnel and families were assisted through Armed Forces Emergency Services (AFES).

18,464 meals and snacks were served to individuals affected by disasters.

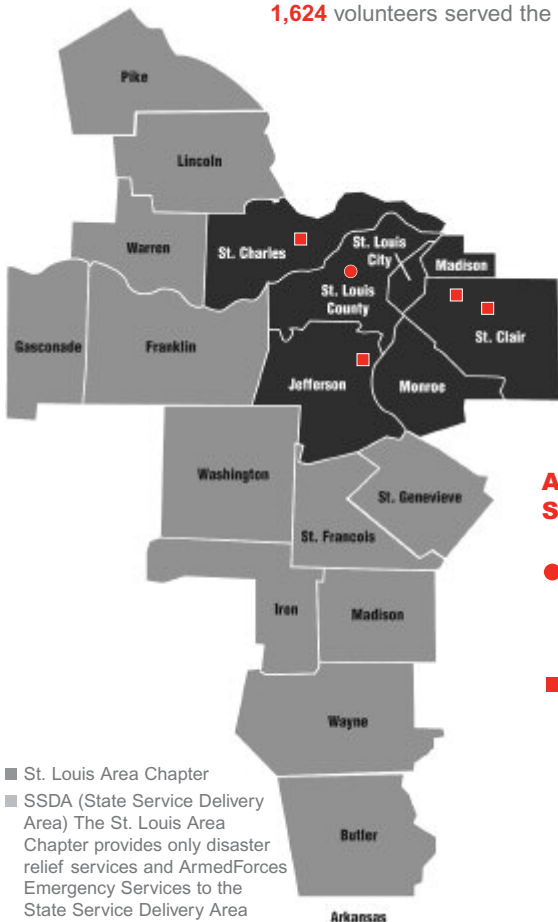

27,756 men, women, and children participated in community education on HIV / AIDS prevention.

42,561 participated in learn-to-swim, lifeguard certification, or water safety programs.

60,224 people were trained in community safety presentations by Red Cross AmeriCorps members.

72,455 people participated in community disaster education workshops and emergency preparedness drills.

85,635 trainees learned life-saving first aid and CPR training, including **15,368** people trained to use Automated External Defibrillators (AEDs).
